4000 GENERAL PROVISIONS

- 4000.1 Pursuant to the authority set forth in this title, the Director has established specific designations, requirements, and restrictions which apply to particular locations.

- 4000.2 With respect to all sections of this chapter, the specific locations at which each particular designation, requirement, or restriction applies are incorporated by reference, in accordance with the provisions of the District of Columbia Documents Act.
- 4000.3 The complete listing of specific locations for each designation, requirement, or restriction set forth in this chapter, or any section thereof, may be reviewed at the offices of the Department of Public Works, and copies may be obtained, upon request, from the Director upon payment of a reasonable copying fee to be determined by the Director.
- 4000.4 Where a large number of specific locations are listed in a particular section of this chapter, the Director may, in his or her discretion, compile and make available such listings by quadrant. In such cases, the listings shall be compiled for each of the following quadrants:
- (a) Northwest section;
 - (b) Northeast section;
 - (c) Southwest section; and
 - (d) Southeast section.
- 4000.5 Amendments to the listing of specific locations for each designation, requirement, or restriction will be made in accordance with the provisions of the District of Columbia Administrative Procedure Act (D.C. Code § 1-1501 et seq.).
- 4000.6 Unless otherwise indicated in a particular section of this chapter, the location where a specific traffic designation, requirement, or restriction is in effect shall be marked by the posting of a sign, traffic device, barricade, street marking, or other indication of the traffic regulation in effect.
- 4000.7 No traffic designation, requirement, or restriction shall be in effect at a particular location unless the proper official sign giving notice of the traffic regulation has been posted and is in place at that location.
- 4000.8 Unless otherwise indicated, where a particular traffic designation, requirement, or restriction is in effect only during specific hours of the day, that designation, requirement, or restriction shall not be in effect on Saturdays or Sundays.
- 4000.9 As used in this section, the term “Federal Holidays” shall mean those days which are not General Holidays and which have been declared by the President of the United States to be holidays for Federal government employees in the Washington, D.C. Metropolitan Area. These Federal Holidays shall be as follows:
- (a) Any day other than January 1st on which Federal government offices are closed for New Year’s Day;
 - (b) George Washington’s Birthday;

- (c) Any day other than July 4th on which Federal government offices are closed for Independence Day;
- (d) Columbus Day;
- (e) Veteran's Day;
- (f) Any day other than December 25th on which Federal government offices are closed for Christmas; and
- (g) Federal Holiday, except for one that falls on a Sunday, shall be treated as though they were Saturdays for the purposes of traffic parking regulations. Traffic and parking regulations which are applicable and in effect on Saturdays shall be applicable and in effect on Federal Holidays (except, if the Federal Holiday is a Sunday, then Sunday traffic and parking regulations are in effect).

4000.11 As used in this section, the term "District Holidays" shall mean those days which are not General or Federal Holidays and which have been declared by the Mayor of the District of Columbia to be holidays for District of Columbia Government employees. This District Holiday is Dr. Martin Luther King, Jr.'s Birthday. On District Holidays, regulations on parking meter payments, parking meter time limits, and time limits on Residential Permit Parking areas shall not be in effect or applicable.

4001 TEMPORARY REGULATIONS

4001.1 The designations, requirements, and restrictions set forth in this section shall be effective for one hundred twenty (120) days from the date of promulgation as emergency rules by the Director.

4002 TRUCK RESTRICTIONS

4002.1 No person shall operate any truck or commercial vehicle exceeding one and one quarter (1 ¼) ton capacity on any of the streets listed in this subsection, except that trucks or commercial vehicles exceeding one and one quarter (1 ¼) capacity may be operated on the streets or parts of the streets listed in this subsection for the sole purpose of making a pick-up or delivery and then only by entering the destination of the truck or commercial vehicle and proceeding on the street no further than the next intersection after the pick-up or delivery has been completed.

4002.2 No person shall operate any truck or commercial vehicle exceeding two(2) axles on any of the streets or parts of streets listed in this subsection, except that trucks or commercial vehicles exceeding two (2) axles may be operated on the streets or parts of streets listed in this subsection for the sole purpose of making a pick-

up or delivery and then only by entering the street at the intersection nearest to the destination of the truck or commercial vehicle and proceeding on the street no further than the next intersection after the pick-up or delivery.

4003 ARTERIAL HIGHWAYS AND BOULEVARDS

- 4003.1 The streets or parts of streets listed in this section are designated and established as arterial highways or boulevards.
- 4003.2 The streets or parts of streets listed in this section shall also be known or referred to as “through streets.”

4004 ONE-WAY STREETS

- 4004.1 The streets and alleys listed in this section are designated as one-way, and traffic is restricted to one direction, except as provided in this section.
- 4004.2 Traffic in alleys which intersect one-way streets shall be allowed to move in both directions, except where listed in this section and where indicated by official sign.

4005 RESTRICTED LANES

- [4005.1 The traffic lane closest to the right hand curb on the streets listed in this subsection shall be designated a Restricted Lane and reserved for the use of buses, carpools, taxicabs, bicycles, motorized bikes, motorcycles, electric personal assistive mobility devices, or other designated vehicles during the hours and on the days indicated.]
- 4005.2 The traffic lanes designated as High Occupancy Vehicle lanes on the streets listed under this subsection shall be reserved during the hours and days stated for each location for the use of buses, carpools transporting at least three (3) riders, including the operator of the vehicle, bicycles, motorized bikes, motorcycles and other specifically designated vehicles.
- 4005.3 The traffic lanes designated as High Occupancy Vehicle lanes on the streets listed under this subsection shall be reserved during the hours and days indicated for each location for the use of buses, carpools transporting at least four (4) passengers, including the operator of the vehicle, and other specifically designated vehicles.
